

DIY
by Panduro

Yarn:
Panduro Yarn Cotton 4/4

Yarn required:
2 balls (100 g) Blue and 1 ball (50 g) Yellow.

Crochet hook:
4 mm.

You will also need a needle to weave in ends.

Crochet a Sweden hat

Crochet abbreviations:

st = stitch

ch = chain stitch

dc = double crochet

htr = half treble crochet

BLO = back loop only

_= repeat the instructions between

_

How to make a magic ring: Make a loose yarn loop and work stitches into the loop and over the yarn tail. When you have the correct number of stitches, pull on the yarn tail to draw the centre closed.

Crochet pattern:

Start by making a magic ring with Blue. End each round with 1 dc in the first htr of the round.

Start each row with 2 ch.

R 1: Crochet 14 dc around the magic ring.

R 2: *2 htr in first st, 1 htr in next 1 st*, repeat *_* the entire round (= 22 htr).

R 3: *2 htr in first st, 1 htr in next 2 sts*, repeat *_* the entire round (= 28 htr).

R 4: *2 htr in first st, 1 htr in next 2 sts*, repeat *_* the entire round (= 37 htr).

R 5: *2 htr in first st, 1 htr in next 3 sts*, repeat *_* the entire round (= 46 htr).

R 6: *2 htr in first st, 1 htr in next 3 sts*, repeat *_* the rest of the round (= 58 htr).

R 7: *2 htr in first st, 1 htr in next 4 sts*, repeat *_* the rest of the round (= 69 htr – 13 cm in diam.).

Child size:

R 8: 1 htr in BLO around entire round (= 69 htr).

R 9–13: Crochet 1 htr in each st around entire round (= 69 htr).

R 14–18: Change to Yellow. Crochet 1 htr in each st around entire round (= 69 htr). Change to Blue.

Adult size:

R 8: *2 htr in first st, 1 htr in next 5 sts*, repeat *_* the rest of the round (= 80 htr – 14 cm in diam.).

R 9: 1 htr in BLO around entire round (= 80 htr).

R 10–14: Crochet 1 htr in each st around entire round (= 80 htr).

R 15–19: Change to Yellow. Crochet 1 htr in each st around entire round (= 80 htr).

R 20: Change to Blue. Crochet 1 htr in each st around entire round (= 80 htr).

Brim child size (adult size):

R 1: *2 htr in the first BLO, 1 htr in the next BLO*, repeat *_* for the rest of the round = 103 (120) htr.

R 2: 1 htr in BLO around entire round.

R 3: *2 htr in first BLO, 1 htr in next 25 (28) BLO*, repeat *_* the rest of the round = 107 (124) htr.

R 4: 1 htr in BLO around entire round.

R 5: *2 htr in first BLO, 1 htr in next 26 (29) BLO*, repeat *_* the entire round = 111 (128) htr.

R 6: 1 dc in BLO around entire round.

Weave in all ends.
