Fisherman's rib tube scarf

Cast 60 stitches onto 7 mm needles.

Round 1: yarn over, slip stitch purlwise, K1, *yarn over, slip the next stitch purlwise, K1, * repeat the rest of the round

Round 2: *yarn over, slip first stitch purlwise, K1 in the yarn over from the last round and slip a stitch (two stitches) *yarn over, slip the next stitch purlwise, K1 in the yarn over from the last round (two stitches), * repeat the rest of the round

Continue knitting as with round two until the scarf is about 75 cm, cast off and sew the short sides together to form a tube. Secure the yarn ends.

You need:

3 balls Molly
Needles no. 7
Darning needle to secure the yarn ends and sew together.

K = knit stitch

yarn over = bring the right needle behind and around the yarn

Slip stitch purlwise = insert the needle in the front stitch loop from the right and slip it over the right-hand stitch without knitting.
