When the work measures 52 cm, K33, K and cast off 24 st, K33 (the remaining stitches).

Then knit each side separately, and cast 2 st off at the neckline the first time and 1 st the second = 30 st remaining on either side. Then work another approx. 4 cm until the piece measures 64 cm and cast off.

Sleeve

Cast on 38 st using off-white yarn and work a rib stitch, K2, P2, for 9 cm (approx. 26 cm wide). Switch to stockinette stitch and work 8 rnds. Then increase 1 st on either side and continue doing so every 8th rnd another 10 times = 60 st. Knit until the sleeve measures 46 cm (or the desired length). Cast off all stitches.

Finishing:

Secure all yarn ends (except the ones that will be used to sew the sweater together).

Iron the pieces lightly on high heat under a damp cotton cloth. Sew the shoulder seams together. Sew the top edges of the sleeves to the front/back piece.

Last, sew together the side seams of the sleeves and the sides of the sweater, down to where the 2x2 ribbing begins (which is left open).

You need:

Yarn: Cotton Merino 50g/ball

Yarn required: 2 dark green, 2 light green, 2 beige, 6 off-white = 12 balls total.

Needles: Needle tips no. 6 + 80 cm cable (knitted back and forth on needle tips + cable)

Gauge: 15 st x 26 rounds = approx. 10x10 cm (everyone knits differently; make a test piece if you want to be sure)

Accessories: Darning needle to secure yarn ends and sew the work together
